

Dana Zinn, CPDA-KA Workshop

April 12 & 13, 2025, Helena MT

The Nose Work Breakfast Club is excited to host Dana Zinn in Helena for a 2-day workshop April 12 & 13, 2025. April 12th will be at the Entry Hall at the Lewis and Clark County Fairgrounds. April 13th will be at the East Helena City Hall.

Find out more about Dana on her webpage [Zinn Dog Training](#). Also, reading *The Dog-Driven Search* (a fabulous book by Dana and Sue Sternberg) prior to this workshop would greatly enhance your experience. You can buy it on [Amazon](#) or there is a link on Dana's webpage.

This is a 2-day workshop focusing on handling, some extra focus will be paid to containers on Sunday, April 13th. No single day attendance will be permitted.

To give as many people interested in working a dog the opportunity to do so, you will be given a working spot for one day and will audit the other day. The cost is \$300. You must request a working spot when signing up and indicate which day you wish to work, if you have a preference. Any remaining working spots will be filled with a random draw. If you are drawn for a second working day the cost will be an additional \$100 (\$400 total).

Even if you are not working a dog, auditing is strongly encouraged. You will gain valuable knowledge from watching Dana work with a variety of dogs and handlers. The cost for auditing is \$200.

Sign-ups will be taken starting **March 1st** at 10:00 am Mountain time. You will sign up by sending Noreen Lehfeldt an email (nlehfeldt@gmail.com) that includes the following information:

Handler name:

Dog name (if requesting working spot):

Working spot on April 12? Y/N

Working spot on April 13? Y/N

Any questions should also be directed to Noreen.

This is an extraordinary learning opportunity, whether you work a dog or audit.
